Dear Ms. McDonald:

Our office recently discovered that we assigned two docket numbers to your April 26, 2000 petition requesting that the Commissioner of Food and Drugs make a determination that an abbreviated new drug application is suitable for elixir containing 10 mg hydrocodone bitartrate/650 mg acetaminophen per 30 mL. The correct docket number for that petition is 00P-1243/CP2, which you may refer to in future correspondence on this subject with the Agency.

We apologize for any inconvenience.

Sincerely,

for. Glorie Ortega
